PROFESSIONAL SUMMARY

Detail-oriented and collaborative video editor with 15+ years of experience in unscripted television, reality, documentary, and branded content. Skilled in crafting compelling narratives, optimizing pacing, and handling fast-turnaround projects across multiple genres including paranormal, historical, lifestyle, and adventure. Proficient in Avid Media Composer, Adobe Premiere Pro, and DaVinci Resolve. Trusted by major networks including History, Nat Geo, Discovery, and MTV.

CORE SKILLS

- Avid Media Composer, Adobe Premiere Pro, After Effects, DaVinci Resolve
- Story Development & Structure
- Music & Sound Editing
- Multi-Cam Editing
- Remote Collaboration
- Network Delivery Workflows

SELECTED SERIES CREDITS (*Editor Roles*)

Kitchen Commando – Studio Ramsay / Tubi Originals

Edited culinary segments, streamlined multi-cam kitchen footage, and enhanced dramatic storytelling to highlight mentorship moments.

The Curse Of Aztec Gold – American Chainsaws / History Channel

Crafted suspenseful sequences using archival material and reenactments; collaborated closely with producers to shape speculative history narratives.

James Cameron's Ocean Explorers – Brian Catalina Ent / Nat Geo & BBC America

Worked on deep-sea exploration content, integrating CGI and sonar visuals with interviews; ensured narrative clarity in complex scientific topics.

Swamp People – Brian Catalina Ent / History Channel

Edited high-intensity gator hunts with dynamic pacing and regional flavor; balanced action and character beats for viewer engagement.

Dirty Jobs – School Of Humans / Discovery Channel

Revived legacy series with modern pacing; maintained host's comedic tone while showcasing difficult tasks in a positive light.

True Life Crime – Karga Seven Pictures / MTV

Handled emotionally sensitive true crime content with editorial integrity; enhanced pacing and clarity for younger audience demographic.

Paranormal Declassified – Karga Seven Pictures / Travel Channel

Shaped eerie, immersive sequences with layered sound design; emphasized mystery through selective reveal techniques.

The Curse of Oak Island (S3–S7) – Prometheus Entertainment / History Channel

Collaborated across multiple seasons to establish consistent storytelling tone; edited historical flashbacks and interview-based segments.

The UnXplained with William Shatner – Prometheus Entertainment / History Channel

Wove together interviews, graphics, and stock footage to explore fringe science and unsolved mysteries; worked closely with narration pacing.

Wicked Tuna – Pilgrim Studios / National Geographic Channel

Managed fast-paced fishing competition edits; balanced real-time strategy with human drama.

Deadliest Catch – Original Productions / Discovery Channel

Cut dangerous, high-seas footage under tight turnarounds; enhanced narrative arcs through careful shot selection and music cueing.

RuPaul's Drag Race – World of Wonder / Logo / VH1

Edited dramatic eliminations and lip sync battles; preserved show's signature style and comedic rhythm.

SHORT FORM AND COMMERCIAL WORK

Ford: 2018 Lincoln Navigator – Commercial – Ford Motors

Edited sleek visual cuts with high-end motion graphics for luxury branding.

Seamlessly She with Monica Potter – Trailer – INE Entertainment

Created compelling trailer with emphasis on personal transformation and home design.

NFL Pepsi / Twitter Kick-Off – Promo – Sawhorse Productions

Paced high-energy sequences blending live sports with influencer-driven promo content.

Allure / Condé Nast – Promo – Sawhorse Productions

Cut beauty tutorials and branded content for digital platforms with viral appeal.

Zootopia: The Making Of – Promo – The Walt Disney Company

Blended behind-the-scenes animation footage with cast interviews; crafted compelling featurette.

Sonic: Texas Rising – Commercial – Bacon & Sons Films

Handled comedic timing and voice-over sync for quick turnaround commercial spots.
